Ski-ers Out on Birnie Range

Four inches of snow with a fresh fall of the dry powder variety on both New Year's Day and Sunday, made skiing conditions ideal for local and military plank fans on Birnie Range. What is described as a "nice face" with running, sunlit, in excellent condition, existed on both days, over 50 attending on New Year's Day, which included soldiers stationed here. On that afternoon, the Salvation Army War Service wagon drove out and served coffee and doughnuts. "If you fall obliquely it doesn't hurt," stated one enthusiast. The attraction of Birnie Range over Silver Star, where however, it is reported there is no good snow, is that transportation offers no problem. For the Star private cars have to be used.

Virtually every weapon of modern warfare needs petroleum either for fuel or for lubrication.

Army Commandos Lose In First Hockey Battle

Manoeuvring power of the Army Commandos of the Battle Drill School was definitely flummied on New Year's evening. Their front line was scattered and demobilized—rear guard was disarmed and demolished—their last stand received a severe bombardment until exhausted. They were plain and simply licked. But not in war games. It was a hockey battle at the Civic Arena, the first of the season, and the local civilian intermediates gave the khaki warriors a 13-1 trouncing.

Around 600 fans turned out, for the contest. Cheering was wild even though the score mounted to something like lacrosse game. This was probably because the fans had missed their hockey this season, and were out to make-up for lost time. If statements of army sports representatives at civilian meetings materialize the army should be in a position to put on regular games before long.

Picking the Stars
In picking the stars of the Vernon team, first mention is given to the new faces which appeared for the first time on local ice. While the year has taken away practically all of Vernon's outstanding players there always seems to be sufficient material about to put together a team. And this season the locals first team is being wrapped around a steady smooth player, "Hank" Murray. Murray is from Kirkland Lake, Ont., one of the famed hockey towns of the east. He is a constable with the R.C.M.P. in Vernon, and arrived a few weeks before the hockey commenced. Next is youthful Paddy Clarke, a local protegee, who donned the pads for the first time this year, and went into the game to narrowly earn a shut-out in his initial try.

The prairies have sent another hockey player to Vernon. He is Jim Rowledge, a winger, whose father came to the Okanagan and decided to settle in Vernon because his kids would have the opportunity to play at the Civic Arena.

Dick Saunders, a former Hydro-park, is a present going position, suited in for two goals and went home happy as a lark.

A number of last year's juvenile Maroons, Billy Simms, Bob Ley, Stan Netzel, and Fred Janke, were on the line-up and after-game comments showed that the crowd was pleased with their performance. Even the Vernon Midgets were represented by Johnny Louden, hunky-defenceman, who did an effective job by the rearing guard, Trev Cullen, another local boy who broke into the hockey picture with the Vernon Hydrophones, flanked Murray on the right wing, netted two goals and was satisfied with the outcome of the first game of the 1944 year.

Army Lacks Teamwork

Probably the happiest face among the cheering section of the commandos was that of Brigadier M. F. Gregg, V.C., M.C. and bar, O.C. of the Canadian Infantry School. He did not appear to be disturbed by the beating his boys were taking, and seemed to thoroughly enjoy the game. The army club showed lack of teamwork, but this can be attributed to a few facts which involve their status as soldiers. They have only had two or three practices together. Their style of play is strange to each other, and their positions as military men means that the war comes first and sport second. They play for recreation and fun. But they are all sincere in saying they will make a better showing next time.

Comings And Goings At Okanagan Centre

OKANAGAN CENTRE, Jan. 4.—Mrs. N. Carter returned home at the week-end after spending a week with her daughter, Mrs. Bob Jeglum and Miss Nora Carter, at Vancouver.

Mrs. Verle Moore, of Lumby, was the guest of Mr. and Mrs. G. E. Parker, en route to Penticton to spend the Christmas vacation.

Miss Patricia Cheesman left on Tuesday to attend the Kelowna High School. For the past few years she has been a pupil at St. Ann's Academy, Kamloops.

Miss E. deMontreuil has returned to her duties as teacher at O.K. Centre school, after spending Christmas at her parents' home at Okanagan Mission.

Miss Ellen Glead has returned to Oliver after spending the holiday season with her parents, Mr. and Mrs. J. A. Glead, at Kelowna.

Miss Eileen Morton arrived this week from Revelstoke where she has recently resigned her position on the staff of the Revelstoke Hospital. Miss Morton will spend a holiday visiting with her mother, Mrs. T. Morton, in Enderby.

Logging Activities Ease Off
Very little pole, log or tie hauling has been under way from the Mabel Lake area this past week according to reports, due to heavy snows which have been deposited in the area.

All transportation by car or truck has ceased to the Hidden Lake area, and on Saturday morning D. Jones, manager of the R. W. Bruhn camp at Hidden Lake has made his trip into the valley, but has been delayed in reaching that area. A good deal of the traffic to and from Trinity Valley had been delayed in reaching that area. A good deal of the traffic to and from Trinity Valley had been delayed in reaching that area.

The snow plow was able to ease up transportation difficulties to and from the Mabel Lake district. Russell Large, driver of the Enderby-Mabel Lake stage, has been on the road into town over Christmas, but made the trip before the New Year.

Mail transportation through the Deep Creek and Hullar area has also been held up, and no Christmas mail has been delivered to settlers along this route until after Christmas had come and gone, and the snow plow was able to open up traffic.

The snow fall has not completely let up however, and the driving, exceptionally heavy as the fine snow fills into the ruts and does not pack sufficiently to give any grip for the chains. Nearly all of the town roads have been cleared once by the snow plow, but the roads are again ready for a second clearing.

Mr. and Mrs. Harry Danforth were among the many Enderby residents receiving word from their sons and daughters, who are serving with the armed forces, this Christmas. One of the cables came from their son Frank who is serving with the American Navy in the Solomon Islands, and one was from their other son, Norman, who is now stationed in England. Their eldest son Munroe who resides with his family in Tacoma, also sent greetings. All three cables arrived on the same day.

Despite a complete upset caused by many cases of flu, Christmas Eve at the Enderby Hotel Auxiliary had a most enjoyable and successful dance on Boxing Day. As a rule members of the Auxiliary hold their annual dance on New Year's Eve, but this year due to their inability to obtain a license for that date, it was decided to hold their event earlier.

Approximately 3500 was taken in during the evening's activity, and turkeys were won by Jim Murphy of Enderby and P. Block of Grandin.

Music was supplied during the evening by the Grandin Orchestra, a heavy band furnished as a hand-out to many district people who had made arrangements to come in to the dance, as the snow plow had not been able to clear many roads in with the dance was discussed and completed at the meeting held in the City Hall on Tuesday afternoon.

Record Holiday Business and Spirit in Enderby

ENDERBY, Jan. 3.—Business is progressing as usual in Enderby following the holidays. Every merchant reports excellent holiday business, and despite the shortage of customers, were more easily served this year. Whether it was due to war time shortages or a general feeling of brotherhood when all thoughts are towards the same cause has not been determined.

The town decorations were far superior this year to any former years, and an excellent stock was displayed from all shop windows.

Another fall of snow, added to the wintry scene of the valley, and although the district experienced a good part of the winter before there was any snow, they can now boast practically as much at this time, as in any former winter.

Many visitors have been coming to the town to see the decorations, and despite travelling accommodation most of them have returned to their various destinations a few hours late due to the heavy snow.

Miss Eileen Morton arrived this week from Revelstoke where she has recently resigned her position on the staff of the Revelstoke Hospital. Miss Morton will spend a holiday visiting with her mother, Mrs. T. Morton, in Enderby.

SCREEN FLASHES

This Thursday's film feature to the Capitol Theatre is claimed to be the most popular musical comedy, the Cole Porter smash hit, "Let's Face It." The film has a large cast, and is playing here also on Friday and Saturday, January 7 and 8. Leading the cast is hilarious Bob Hope with Betty Hutton co-starring and Cully Hamlyn, Don Drake, Eve Arden, Sam Ellis, Mavis Beaver and Ramo Walburn. Hope is said to really reach his stride in laughs and mirthful carrying-ons. This is his first appearance with Miss Hutton, and the results are termed as cyclonic.

The film catches Bob in army uniform again, but this time his troubles come off the parade ground, when he meets three restless middle-aged wives, played by Eve Arden, Mavis Beaver and Phyllis Povah. The women suspect their husbands of philandering and decide to do something about it. The "something" involves Bob.

The Capitol will stay in a gay mood for film-goers on Monday and Tuesday, January 10 and 11 of next week, when "Stormy Weather", something new in film musicals, is scheduled to play. Binges and binges of solid vice, this picture has all kinds, combined with some of the most sensational dancing and production numbers ever filmed. Against the backdrop of an ingenious story, the melodrama that is the background of American folklore spring to vivacious life. Leading the cast are Lena Horne, Bill Robinson and Cab Calloway.

Filmgoers return to a theme of war on Wednesday and Thursday, January 12 and 13, of next week, when the story of America's great secret weapon, the Norden bomb-sight, will be revealed in the picture entitled "Bombardier". Two of Hollywood's leading stars of drama, Pat O'Brien and Randolph Scott head a brilliant cast in what is predicted to be the most thrilling picture to come out of this war.

Kamloops Stockmen Plan to Organize

KAMLOOPS, Jan. 4.—First steps towards the organizing of the Kamloops Stockmen's Association were taken at a meeting in the city recently. This meeting was attended by representatives from the districts contiguous to Kamloops and by representatives of a number of organizations.

A further meeting will be held about February when it is expected that the constitution will be tentatively accepted at the December 18 meeting.

Kamloops Stockmen's Association will not be composed of individuals but will be the district organization for the several purely local cattlemen's associations throughout this part of the Interior. The association in turn will send representatives to the B. C. Beef Cattle Producers' Association under its new set-up. Thus, all cattlemen will be organized from small local to the central provincial body.

Also arriving on Sunday was Mrs. Abercrombie, teacher in the public school, who had spent part of the holidays with her husband at their home at Malakwa; also a trip to Vancouver where they visited over Christmas with relatives. Miss Hansen and Mr. Greenwood were among High School teachers arriving at the end of the week; the former from her home at Vancouver and the latter from Victoria, where they visited over the vacation. School began on Monday morning for many of the Junior Grades, classes were not continued all day. The senior students began studies in earnest and Monday saw the start of a new term, during which time all pupils and teachers are making every minute count in readiness for the June examinations.

Miss Simpson, teacher at Ashton Creek, who has been spending the Christmas holidays visiting with her parents at Vancouver arrived this week-end for a short stop-over in Enderby at the home of Rev. and Mrs. J. Seider.

Friends of Mrs. F. Dickson bade her farewell on Thursday when she left for Salmon Arm en route to Chilliwack where she will make her new home. Mrs. Dickson was accompanied by her two children, Miss Patricia Dickson, and son John. The former has been attending High School at Vancouver during the past term. Prior to their departure Mrs. Dickson and children spent two days' visit at the house of guests of Mrs. W. Alton, and her large group of district friends not only feel a great loss at her departure but wish her every success in her new home. Mr. and Mrs. Fred Hassard of Kelowna who have purchased the Dickson property expect to take up residence in Enderby early this spring.

Mr. and Mrs. O. Bragg of Vancouver who arrived from the Coast have been spending a week's holiday visiting with Mrs. Bragg's mother, Mrs. John Bragg, and other relatives and friends here. They were accompanied on the trip from Vancouver by Ernest Palmer, also of the Coast city, and the party left on Saturday evening for Vernon where they made a short stop-over with Mrs. Bragg's sister Mrs. T. Gray.

George Johnson who is stationed with the Veterans' Guard at Sooke, Alberta, is spending New Year's through visiting his wife and family.

Miss S. J. Shepherd who has been residing at the home of Mr. and Mrs. Palmer, at North Enderby, left at the end of the month for Calgary where she will visit with friends and relatives. While there she will attend the wedding of her niece, Miss Marjorie Catherine Shepherd.

Red Cross Work Rooms Re-Opened January 4

The Red Cross workrooms in Vernon re-opened on Tuesday, January 4, after having been closed from December 1st for the Christmas season. There is lots of work for everyone," said Mrs. R. G. de Wolf, secretary. The work room committee will be glad to welcome any helpers who will work in the rooms or take sewing or knitting at the home of Mrs. H. Hendrickson.

The annual meeting of the Vernon Branch, Canadian Red Cross Society is scheduled for Friday, January 21, in the Board of Trade Rooms.

Human pack trains are carrying food, ammunition and other supplies to Allied troops high in the mountains of Central Italy. The pack trains are fitted with pack boards so they can carry loads ranging up to 100 pounds, climb into mountainous terrain which mules and horses are unable to reach.

The above appeared in a Canadian newspaper on December 10 in a little "box" all by itself in a corner of the paper—shyly—as if apologizing for being there at all. It can see that (can't you?) young kids, with sweat-streaked faces, totting up those rocky hills, slipping, sliding, falling, getting their wind and starting again, faces, hands and bodies ached with the heaviest every foot of the way, their breath coming in short gasps, keeping their eyes on the far goal, one boy after another climbing, totting up a frigid, cold path, grabbing roots and tufts of dead grass to give themselves a lift.

For that's what we really mean—loads on your back, loads on your mind, loads on your heart. Everywhere a burden to be borne... a hill to climb... a battle to win.

Are you carrying enough? Do you think of it day after day? Do you think of it night after night? Do you think of it when you are alone? Do you think of it when you are with others? ARMSTRONG, Jan. 4.—On Wednesday evening, prior to Christmas, a program of recitations and carols was staged by the Sunday School in Regular Baptist Church. Apples were given to everyone who attended and a gift for each member of the Sunday School was found on the tree.

When the children of Zion United Church returned on Tuesday afternoon, December 28, from a sleigh-ride, James Fringle and G. F. Marshall supplying the teams, a hot supper with meat pies and beans served in the church parlor satisfied that hungry feeling after a drive in the frosty air. After supper sound pictures were put on in the church through the courtesy of C. E. Clay.

On Thursday, December 30, a supper was served in the Parish Hall for the children of St. James' Anglican Church Sunday School. Due to illness, it was impossible to carry out the program as planned, but the pulling of Christmas crackers and the playing of games completed a jolly evening.

The grand march, Auld Lang Syne, pulling of Christmas crackers by some 400 persons and much hilarity welcomed 1944 in the Recreation Hall on December 31 at a dance sponsored by the Junior Hospital Auxiliary. Five sittings were catered to in the dining room of the hall and dancing to "Gipsy" polkas continued until after 3 a.m. The Auxiliary plan to spend the proceeds, about \$300, on something for the betterment of the local institution and to the advantage of the residents of Armstrong and district.

Many Plastics Have Beginning Down on the Farm

The importance of plastics has been emphasized during this war, not only by architects and interior decorators, but by scientists. Many of these plastics are produced from farm oils. There are hundreds of uses for plastics in the manufacture of instruments and equipment for the war effort. The cultivation of soybeans in Canada has been intensified in recent years. Soybeans have a definite place in the waterproofing of fabrics, and soy meal may be used to make plastics. Soybeans, apart from their value as a high protein feed for livestock, also provide edible oil and can be converted into a lubricating oil. Progress has also been reported in investigations in connection with sunflowers, another plant from which an edible oil may be extracted.

I find the doctors and the sages have differed in all climes and ages, and two in fifty scarce agree on what is pure mortality.

Last Rites New Year's Eve For Aged Cherryville Man

Mr. R. Mitchell, of Cherryville, informed The Vernon News on Monday that the death of Christman, aged 78, of that community, did not occur in his home, as he had been under her care for some time and that his death took place in her home. An inquiry held by Coroner Dr. J. E. Harvey last week determined that death was from natural causes. The funeral was held from Winter and Winter funeral chapel on December 31.

Thousands of Parcels For Overseas Improperly Packed

During the height of the Christmas mail movement overseas an average of 180 parcels each day were re-packed, re-addressed and sent on their way by the salvage section of the Army Postal Corps at Base Post Office. Too often there were parcels battered beyond repair, the contents ruined and fit only for the incinerator; nevertheless the salvage section performed its duty and saved many a gift which might otherwise have reached its destination. Carelessness in packing, injudicious selection of contents, loose wrapping and improper addressing were responsible for all losses.

Father Time "Man of the Hour" at Lumby Friday

LUMBY, Jan. 2.—Three hundred and fifty dancers saw the New Year's Eve at the Lumby Community Club dance on Friday night. Despite a flurry of snow that caused some difficulties for those not prepared for it, the affair proved to be the usual success. Commencing at 10 p.m., the dance continued until 3:30 a.m. Saturday, when even the most energetic agreed that they had taken enough punishment. Net proceeds, amounting to \$200, will be used by the Community Club in financing hall operations for the first half of 1944. Mrs. J. Ross was in charge of a committee of ladies who handled refreshments for the dance. Music was supplied by the Lumby Orchestra.

Skating at the Community Rink is now in full swing. The rink is open every evening that the ice is fit. It is expected that P.A. music will be on hand once a week. The biggest crowd of the year came out to skate on Saturday evening, with P.A. music playing from 8 to 10 p.m.

Armstrong Pioneer is Laid at Rest

ARMSTRONG, Jan. 4.—Funeral services for Mrs. Cecilia Hallam, widow of William Hallam, were conducted by Rev. R. J. Love in Zion United Church on Tuesday, December 28, at 2:30 p.m.

Mrs. Hallam, who was in her eighty-sixth year, was formerly Miss McNabb, and was born in Belleville, Ontario. In 1880 she travelled from Scarborough, Ont., in which place she was married to William Hallam, who was a resident of Kelowna where she was married. In 1893 the "call of the west" brought her, with her husband and family to New Westminster, and in 1894 to this district. Ever since that time she has been a resident of Kelowna, where she has given up an active part in community life. It was still of keen interest to her. After a short illness she passed away at the home of her son and his wife, Mr. and Mrs. Arthur Hallam, on Christmas Day. Funeral arrangements were in charge of Winter and Winter of Vernon, and interment was in Armstrong cemetery.

Surviving are two daughters, Mrs. Popper, Winnipeg, and Mrs. Perkins, Saskatchewan; five sons, Charles, Chilliwick; Harry, Kamloops; Herbert, White Rock; Arthur and Ernest of this district; two sisters, Mrs. J. Cowie, Winnipeg, and Mrs. Boyle, Grand Forks, Sask.; two brothers, W. McNabb, Morden, Man.; and A. McNabb, and 33 grand-children. Her husband predeceased her 10 years ago.

Kelowna Parleys Refugee Question

KELOWNA, Jan. 3.—After hearing a report by a special sub-committee on immigration, the Kelowna Board of Trade executive passed a resolution expressing its interest in the immigration of refugees into Canada.

The report grew out of a resolution and petition which was sent to the Kelowna Board of Trade by the Canadian Immigration Committee of Refugees, which advocated full admission into Canada of all refugees suffering from political or religious persecution, irrespective of race, creed or financial position. Considerable discussion took place at the meeting, and executive members were united in their sympathy for the unfortunate plight of refugees from Nazi oppression and the humanitarian assistance they should receive from persecution of these victims.

Members agreed that the plight of many of the refugees was a pitiable one, and that many persons that might be of great benefit to Canada were being stranded in neutral countries without sufficient funds to find entry into the Dominion.

On the other hand, the view was expressed that the whole question was primarily one for administration and decision by the Federal authorities. Board members felt that the government officials were best qualified to judge the fitness of applicants for entry into Canada, and that undue pressure by outside groups should not be exercised, and was an unwise policy.

The phrase contained in the petition presented by the Committee on Refugees for approval of the local Board of Trade, "without regard to race, creed or financial condition," was the subject of frank comment by members of the executive. Those present agreed that such a stand might well open the door to entry to Canada by persons of any race, and that any enlargement of the present immigration regulations should be left to the discretion of Ottawa.

B.C. stands third among the provinces of Canada in its contributions to the Red Cross.

Miss Langdon, who is well known in the Okanagan, having attended a good number of Kelowna regattas in the past few years, won the award chiefly on the basis of an outstanding performance at the Dominion Championship swimming meet, against stiff Canadian and United States competition to become the first woman to win it twice. Sharnon read the service in the church and the Masonic Order officiated at the graveside.

All the pall-bearers were members of the Masonic Order of which Mr. Wells had been a member, and also past master, for many years. Interment was in the Grindrod cemetery where he was laid to rest beside his father.

IN MEMORIAM

In loving memory of my son, Donald, "Babe" Larson, who passed away January 11th, 1937. "Time speeds on, seven years have passed. Since death's gloom, its shadow, within our home, where all seemed bright. And from us a shining light. We miss that light, and forever His vacant place there is none to fill. Down here we mourn, but not in vain. For up in heaven we'll meet again. Sadly missed by his Mother, Mrs. Larson. 46-11
